

Attention Kids (and Parents!):

We are getting excited about offering the **SCRIPTURE CHALLENGE** for another year. You will receive 3 new passages of Scripture quarterly with your monthly kid's calendars. If you lose one or need an extra, there will be extra copies in the Kid Kollector in the information bins on the wall. There will be one passage per month for the school year (nine in all). At the end of each quarter you must have completed all 3 to be eligible for an end of the year trophy.

You will read the Scripture over a few times, then think about it. It is a good idea to discuss its meaning with your parents. Write down an explanation of what it means in your own words. Next, write an explanation of how it will help you live your life or how you can apply the scripture to your life. We will be looking for full and meaningful answers to both of these questions. Ask your parents to look over your sheet before you turn it in. When you finish you should have a good understanding of the scripture. Don't get discouraged if it is a bit difficult --- this is supposed to be a challenge!

(Parents: you can help write out answers for younger kids, and of course this is a great opportunity for you to discuss the Bible with your child. Also, feel free to further challenge your child to memorize each scripture --- perhaps you can "up the ante" with a reward of your own!)

Kids, deposit your scripture challenge sheets in Debbi Caldwell's mailbox, located outside of the office, or in the box in the workroom as soon as you finish. Each kid who runs the race and finishes the challenge completely, will receive a trophy at a special ceremony in May!

We hope you will all rise to meet the... **SCRIPTURE CHALLENGE.**
